

# THE JOURNEY TO GATEWAY

Give your apprentices the **knowledge, skills and behaviours** to take the journey of a lifetime

**Highfield Apprenti-kits are the ultimate training resources to support your on-programme delivery. All Apprenti-kits are mapped to apprenticeship standards and Highfield's associated qualifications. Written to support the required knowledge, skills and behaviours of each standard and including British values, grading and mapping, Apprenti-kits are compatible with most e-portfolio systems and are available in either hard-copy or digital formats.**

## Each Apprenti-kit includes a:

- welcome booklet
- text and workbook for each module
- skills and behaviours activity pack
- guide to command verbs
- end-point assessment support brochure

## Our current range of kits cover the following sectors:

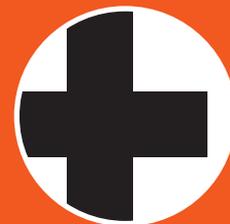

- Business administration and management
- Catering and hospitality
- Social care
- Health and science
- Sales, marketing and procurement
- Transport and logistics
