## Highfield Level 3 End-point Assessment for Electrical, Electronic Product Service and Installation Engineer

## Witness Testimony Record – Practical Skills Test Fault Diagnosis 1

This record must be completed by an expert witness who is occupationally competent and operating at a level above the apprentice, for example a line manager. The witness must be from the employer and not the training provider.

Apprentice's name:	
Employer:	
Training provider:	
Equipment/product:	
Fault:	
Date of job:	

Please ensure you have read the guidance document prior to completing this record. Please also see **EPA-kit** for additional guidance and amplification on each criterion.
