Who is this course for?

Highfield's Person in Charge Train the Trainer events are aimed at trainers who are interested in delivering the Person in Charge food safety programme in Dubai. Trainers should have or be in the process of gaining approval from Dubai Municipality and undergo separate Foodwatch training session with Dubai Municipality.

Why should I attend this course?

Delegates at this event will benefit, and learn from, the knowledge and experience of Richard Sprenger. Richard has worked in food safety for 50 years, and worked with the Dubai Municipality to design and implement the Person in Charge programme.

Learning resources

Delegates enrolling on this Train the Trainer course will be provided with the following:

- Level 3 Food Safety E-learning (with PDF copy of Highfield Level 3 Food Safety Textbook)
- PDF Highfield Level 2 HACCP Textbook
- PIC TTT Activity E-learning

Training outcomes

Upon successful completion of the course, delegates will receive a PIC Train the Trainer certificate and will be able to deliver PIC training, subject to approval from Dubai Municipality and Highfield.

Training resources

Successful delegates will be issued with a complimentary copy of Highfield's latest Person in Charge training presentation to aid their delivery of the Person in Charge programme.
